

## Fitting Instruction

Article-No. : **460K131**  
Product : **License-plate Bracket**  
Vehicle-Manufacturer : **Kawasaki**  
Model : **ZX6R 2009→**

### Important:

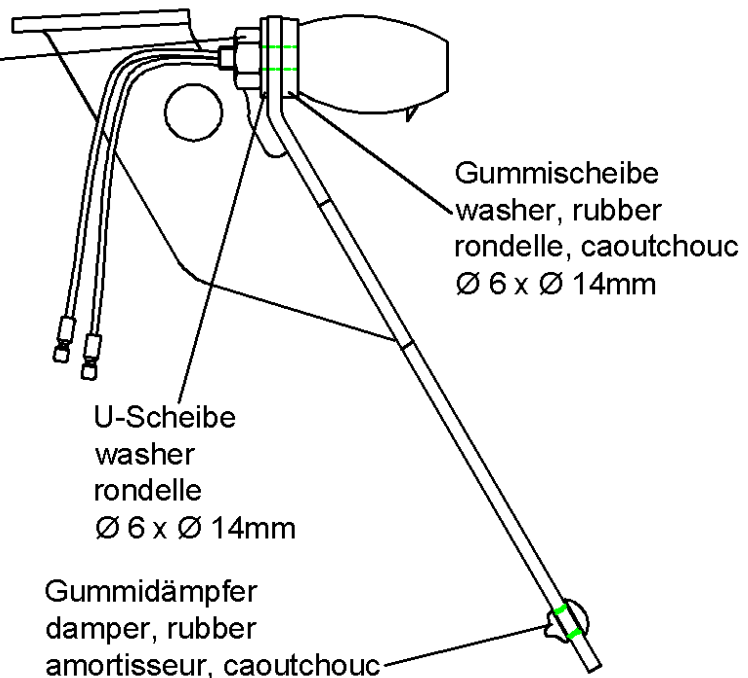

Read this instruction manual carefully and mind all warnings and tips. You should do this work only if you're qualified; otherwise we recommend this mounting to be done by a qualified workshop. Improperly mounting of this kit can reduce the driveability of the motorcycle and may be a risk to your health and life.

Please mind that additional work occurs by connecting the plate light to the harness and some material for wiring and connecting may be necessary.

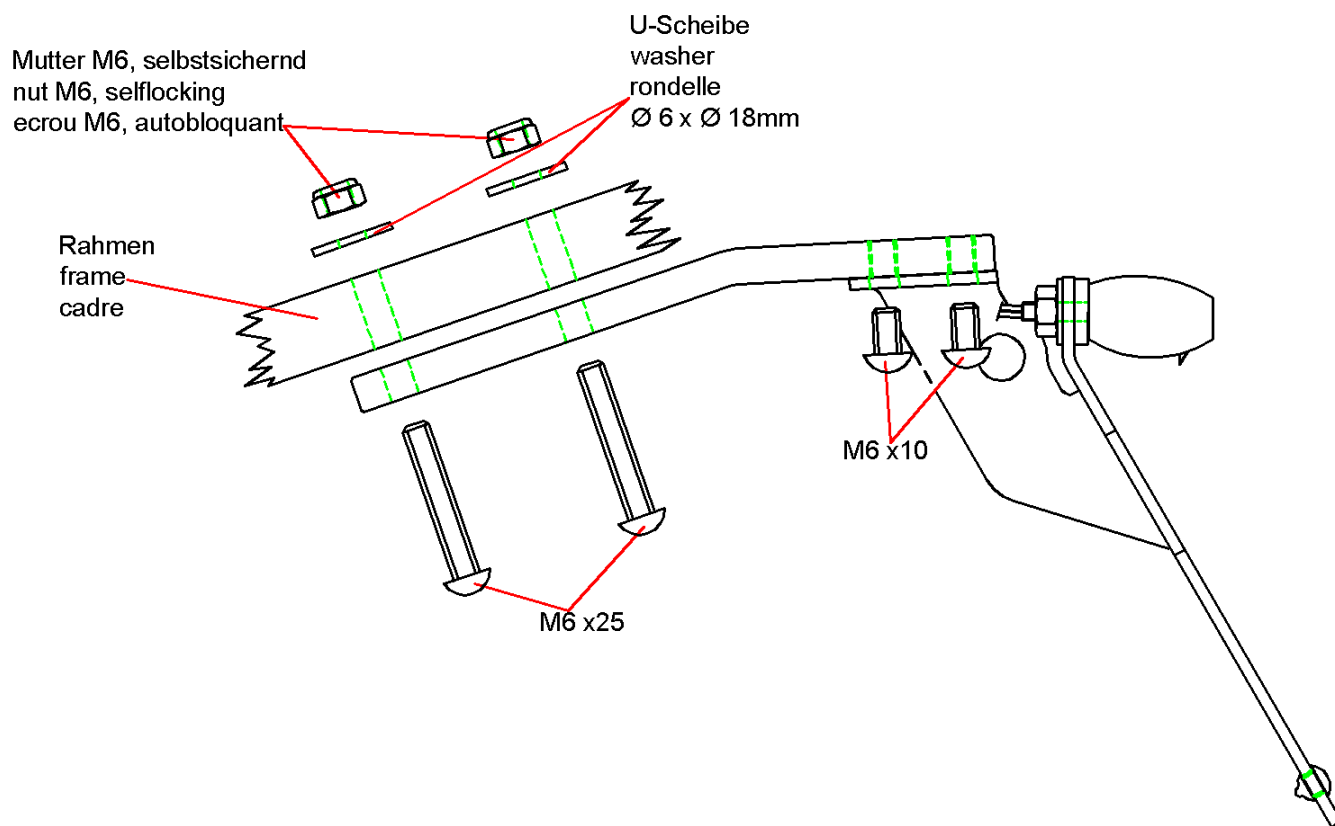

### Fitting:

Mount plate bracket as shown.

Mutter M6, selbstsichernd  
nut M6, selflocking  
écrou M6, autobloquant

Fit the LSL plate assy **loosely** with attached M6x10, then swap it, as shown, against the original one, using attached M6x25 (10Nm/7.37lbf ft). Align and fix plate bracket (M6x10, 10Nm/7.37lbf ft) at last.

**Important:** No other accessories allowed on this bracket, mount only the license plate!
